## EMPLOYMENT

### Designer/Front-End Developer Design Project Center

08/2017 – 05/2018

Directed team communication, managed weekly time-sheets, as well as designed a Ferris State University recruitment event. Updated the award-winning West Michigan Graphic Design Archives website with customized wordpress plugins, print style sheets, and typographic detail.

### UX/UI Design Intern

#### Maestro

05/2017 – 08/2017

Developed eLearning courses while collaborating with other designers. Clients include: Anheuser Busch, Skyzone, and Delta Airlines.

### Web Administrator

#### University Advancement & Marketing

09/2015 – 05/2018

Administrated Ferris' CMS while coordinating client relations. Established mutual goals to design specialized pages and implement them in a specific timeline.

### Student Leader

#### International Office

09/2015 – 05/2017

Organized events and weekly meetings while teaching the international students about the American language and culture.

## VOLUNTEERING

### Lead Designer

#### Weekend for Good

11/2017

In a 48 hour period, I coordinated a team of 11 developers to establish a website that I designed for the non-profit 20Liters.

### AIGA Mentor

02/2018 – 05/2018

I led a group of junior frontend developers. We reviewed goals, shaped expectations, and increased productivity.

## ORGANIZATIONS

### AIGA

#### Professional Association for Design

11/2014 – Present

### SAGC

#### Student Alumni Gold Club

Managed Alumni communications, designed social media graphics, and occasionally acted as Brutus the Bulldog.
